“RAP SHEET”

CHARGES:

- 001: **Description:** A uniquely smooth unaged flavored whiskey you can drink straight up, neat, or on the rocks.
- 002: **Crafting:** Our Peach Moonshine is a light whiskey made with a corn mash, clear in color, distilled with demineralized water and natural peach flavor.
- 003: **Proof:** 100 Proof
- 004: **Packaging:** Squared shoulder, round glass bottle, sealed with a cork stopper. Sold in cases of six bottles.
- 005: **Retail Cost:** \$19.99 – \$21.49 per bottle
- 006: **Size:** 750ml

ALIBI:

The recipe came from our co-owner's great grandfather who was a sheriff in a small South Georgia town during prohibition. He smuggled the ingredients to make the moonshine in his Squad Car. We have adapted the recipe to please your more developed palates and made it a smooth, enjoyable moonshine whiskey.
